

DEGREES, CERTIFICATES, AND TRANSFER PREPARATION INFORMATION

MUSIC

The Music Associate in Arts degree provides educational opportunities to explore and expand students' knowledge, performance skills, and appreciation of music. In this context, "appreciation" means understanding the value, characteristics, components, cultural meanings, and historical contexts of various styles of music. The curriculum includes applied and group music instruction, history, performance ensembles, theory, and musicianship.

For additional career possibilities, visit the Career Services Center on the main campus to utilize computerized career information systems and other valuable career resources.

NOTE: Students have the choice of following the General Music or Applied Music option requirements. Only one degree can be awarded. For both options (General and Applied), the degree is "Associate of Arts in Music."

Associate Degree Requirements

An Associate degree is granted upon successful completion of a program of study with a minimum grade point average (GPA) of 2.0 (C) in degree applicable coursework and a minimum of **60 degree applicable semester units**, including:

- Completion of the area of emphasis with a grade of C or higher in each course, or with a P if the course was taken on a Pass/No Pass basis, and the P is equal to a C or higher;
- Completion of one of the following general education patterns: SMC GE, CSU GE, or IGETC;
- Completion of the SMC Global Citizenship graduation requirement.

Catalog Rights

A student may satisfy the requirements of a degree that were in effect at any time of the student's **continuous** enrollment. Continuous enrollment means attendance in at least one semester (Fall or Spring) in each academic year.

Transfer Preparation

Many colleges/universities offer baccalaureate degrees in this field. Students planning to transfer to a four-year college or university should complete the lower-division major requirements and the general education pattern for the specific transfer institution. SMC has articulation agreements with the many UC and CSU campuses, as well as several private and out-of-state institutions.

Exact major requirements for UC and CSU campuses can be found online at assist.org.

A listing of private, nonprofit California colleges and universities can be found online at aiccu.edu. For articulation agreements between SMC and some of these institutions see smc.edu/articulation.

Music, Associate Degree

The Music Associate in Arts degree provides educational opportunities designed to meet the needs of students who wish to explore and expand their knowledge, performance skills and appreciation of music. The program includes applied and group music instruction, history, vocal and instrumental ensembles, theory and musicianship.

NOTE: Students have the choice of following the Music or Applied Music option requirements. Only one degree can be awarded. For both options (general and applied), the degree is "Associate in Arts in Music." The descriptors "General" and "Applied" are not included on transcripts or diplomas.

Program Learning Outcomes: Upon completion of the program, students will demonstrate conversance in music theory, musicianship, and music history. Students will show proficiency in basic keyboard skills, and will demonstrate performance ability as active members of an ensemble.

Area of Emphasis: (39 units)

Recommended Preparation: Students are strongly recommended to take the following courses prior to taking any other major courses:

Applied Music, Certificate of Achievement

Students interested in developing their musical skills through one-on-one instruction and regular performance opportunities are encouraged to audition for the Applied Music Program. Areas of study include instrumental, vocal, and composition. Upon completion of four semesters, students can be awarded the Applied Music Certificate of Achievement. Those who complete the additional required coursework for an Associate of Arts degree in Music (applied option) can also be awarded that degree.

Program Learning Outcomes: Upon completion of the program, students will demonstrate the basic technical skills necessary to perform repertoire (for performers) or create and present original works (for composers) in their area of applied study; demonstrate effective skills to address the challenges of musical collaboration, performance, and presentation; and demonstrate the ability to make meaningful observations and provide constructive feedback about musical performances or compositions.
