

DEGREES, CERTIFICATES, AND TRANSFER PREPARATION INFORMATION

ART - NONCREDIT

Artists express their thoughts and feelings by creating fine art works that are primarily intended for aesthetic enjoyment. Related career titles include advertising artist or designer, art administrator, furniture designer, illustrator, courtroom sketcher, medical illustrator, animator and toy designer. Some organizations that typically employ art majors include: studios, museums, auction houses, art councils, educational institutions, hospitals, interior design departments, advertising agencies, and film and media production companies.

Programs Offered

- Certificate of Completion
 - Create Space: 3-D Design Output
 - Create Space: Digital Fabric Tools
 - Create Space: Laser Cutting and Engraving
 - Create Space: Print Shop Tools
 - Create Space: Wood Shop

Catalog Rights

A student may satisfy the requirements of a degree that were in effect at any time of the student's **continuous** enrollment. Continuous enrollment means attendance in at least one semester (Fall or Spring) in each academic year.

Transfer Preparation

Many colleges/universities offer baccalaureate degrees in this field. Students planning to transfer to a four-year college or university should complete the lower-division major requirements and the general education pattern for the specific transfer institution. SMC has articulation agreements with the many UC and CSU campuses, as well as several private and out-of-state institutions.

Exact major requirements for UC and CSU campuses can be found online at assist.org.

A listing of private, nonprofit California colleges and universities can be found online at aiccu.edu. For articulation agreements between SMC and some of these institutions see smc.edu/articulation.

In addition to meeting academic requirements, most universities and art schools require prospective students to submit a portfolio with evidence of individual style and concepts for admission to be presented to the Art Department of each institution they apply to for admission.

It is highly recommended that students follow the **"FOR TRANSFER CONSIDERATION AND PORTFOLIO DEVELOPMENT IN ART"** with Elective Areas of Specialization prepared by the SMC Art Department. These recommendations may be found below, in the Transfer/Counseling Center, the Art Department, and online at smc.edu/articulation. The recommendations will help students to develop a successful portfolio for transfer.

In addition, students should make an appointment with the institution of their choice to find out about specific courses and portfolio projects needed for transfer.

SMC offers the **Studio Arts Associate Degree for Transfer**. Students completing this degree are eligible for priority transfer admission consideration in the majors at the **California State University** campuses listed below. In addition, you will be required to complete no more than 60 semester/90 quarter CSU units of coursework after transfer to complete your baccalaureate degree.

NOTE: If you are considering transfer to a UC, private, or out-of-state school, please consult a counselor before applying to transfer, as the transfer requirements may be different from those required for the Studio Arts AA-T.

For the most current list of CSU campuses accepting this Transfer degree visit calstate.edu/transfer/adt-search/search.shtml.

Create Space: 3-D Design Output, Noncredit Certificate of Completion

Upon completion of the Associate in Arts in Studio Arts for Transfer (AA-T), students will have a strong academic foundation in the field and be prepared for upper-division baccalaureate study. Completion of the degree indicates that the student will have satisfied the lower-division requirements for transfer into Studio Arts or similar majors for many campuses in the California State University system.

Program Learning Outcomes: Upon completion of this program, students will be able to demonstrate an ability to work with contemporary visual ideas and their solutions as they apply to studio practice; have an understanding of conceptual thinking and the ability to communicate their ideas using research that will include media, visual culture, art history, history, and an understanding of the importance of verbal and written skills; and develop strong visualization skills, professional attitude, and a portfolio that supports their goals.

Area of Emphasis: (x units)

Required Core Courses: (x units)

ART 900, Introduction to Create Space Equipment and Materials (0)
 ART 902, 3D Design Output (0)
 ART 904, Laser Cutting & Engraving (0)
 ART 906, Print Shop Tools (0)
 ART 910, Introduction to Digital Fabric Tools (0)
 ART 920, Wood Shop (0)

Create Space: Digital Fabric Tools, Noncredit Certificate of Completion

In the Art Associates of Arts degree, students will be guided through a mix of material and conceptual exploration grounded in core foundational skills. Students will be able to demonstrate a diverse skillset in a broad range of media, materials and processes. They will define and use core concepts in 2D, 3D and new genres. Students will produce original work that demonstrates a high level of craft, with the ability to describe, analyze, and provide criticism of works of art in various media. This multi-faceted program will prepare our students to transfer, organize art works/art practice for exhibition, if applicable, and understand safe and hazard-free use of art materials and equipment.

Program Learning Outcomes: Upon completion of the program, students will demonstrate an appreciation and understanding of Art and Art History in order to develop creative and critical thinking solutions to various Art and Art History issues. Students will look at an artistic situation, whether in implementation or analysis, in order to develop and create a strategy for its solution.
