STEPS TO BECOME AN SMC STUDENT

To become an SMC student requires being admitted to SMC, completing some processes, and enrolling in classes. Details are provided below. Students can also access SMC's chatbot Pearl, which helps answer questions about admission, enrollment, class scheduling, counseling, financial aid, parking, and more. Students can find Pearl on select SMC webpages, through the SMC GO app, by texting "Hi" to 310-807-2262, and on the official SMC Facebook and Twitter feeds.
