

DEGREES, CERTIFICATES, AND TRANSFER PREPARATION INFORMATION

POLITICAL SCIENCE

Political scientists study the origin, development, and operation of political systems and public policy. Some study the actions of foreign governments, political parties, or revolutionary movements. Others analyze topics such as public opinion, decision making, or the uses of ideology and public policy. They may conduct surveys, analyze election results, review Supreme Court decisions, or actions of legislative bodies, or analyze the content of media articles. Some do academic research, write, or teach. Others work on applied problems for federal agencies, legislative committees, or individual office holders/seekers. Some career possibilities include lawyer, politician, and director of polling and survey projects.

Programs Offered

- Transfer Preparation

Degrees

- Political Science Associate Degree for Transfer

Related Program

- Public Policy

Catalog Rights

A student may satisfy the requirements of a degree that were in effect at any time of the student's **continuous** enrollment. Continuous enrollment means attendance in at least one semester (Fall or Spring) in each academic year.

Transfer Preparation

Many colleges/universities offer baccalaureate degrees in this field. Students planning to transfer to a four-year college or university should complete the lower-division major requirements and the general education pattern for the specific transfer institution. SMC has articulation agreements with the many UC and CSU campuses, as well as several private and out-of-state institutions.

Exact major requirements for UC and CSU campuses can be found online at assist.org.

A listing of private, nonprofit California colleges and universities can be found online at aiccu.edu. For articulation agreements between SMC and some of these institutions see smc.edu/articulation.

The **University of California system has a transfer pathway** for any UC campus that offers Political Science. For more information, visit pathwaysguide.universityofcalifornia.edu.

SMC offers the Political Science Associate Degree for Transfer. Students completing this degree are eligible for priority transfer admission consideration in the majors at the California State University campuses listed below. In addition, you will be required to complete no more than 60 semester/90 quarter CSU units of coursework after transfer to complete your baccalaureate degree.

NOTE: If you are considering transfer to a UC, private, or out-of-state school, please consult a counselor before applying to transfer, as the transfer requirements may be different from those required for the Political Science AA-T.

For the most current list of CSU campuses accepting this Transfer degree visit calstate.edu/transfer/adt-search/search.shtml.

Online Associate Degree for Transfer (ADT)

Santa Monica College offers the courses highlighted below fully online. Students may complete the degree requirements fully online. For math and lab science GE requirements, only Math 54 (or ACCTG/BUS 45 for CSU bound students) and Astronomy 3 are offered online.

Political Science, Associate Degree for Transfer

The Associate in Arts in Political Science for Transfer (AA-T) introduces students to the major fields of study in political science. The program includes the study of American politics (principles, institutions, and policies). Depending upon the student's chosen course of study, the program may also include comparative politics (institutional structures, processes, and political cultures), International Relations (structure and operation of the international system), and/or political philosophy (ideas about human nature, power, justice, and the state).

Upon completion of the Associate in Arts in Political Science for Transfer (AA-T), students will have a strong academic foundation in the field and be prepared for upper-division baccalaureate study. Completion of the degree indicates that the student will have satisfied the lower-division requirements for transfer into political science or similar majors for many campuses in the California State University system.

The Associate in Arts for Transfer (AA-T) is designed to facilitate transfer admission to a CSU in a similar major. If you are considering transfer to a UC, private, or out-of-state school, consult a counselor regarding the transfer requirements of that institution.

Associate Degree for Transfer Requirements:

- Completion of 60 semester units or 90 quarter units of degree-applicable courses,
- Minimum overall grade point average of 2.0,
- Minimum grade of "C" (or "P") for each course in the major, and
- Completion of IGETC and/or CSU GE-Breadth

Note: while a minimum GPA of 2.0 is required for admission to a CSU, some majors/campuses may require a higher GPA. Please consult with a counselor for details.

Program Learning Outcomes: Upon completion of the program, students will demonstrate, through written and oral academic work, an understanding of the principles, structure, and processes of the American political system, as well as, depending on the student's area of focus, an understanding of the institutional structures and processes of other countries, the structure and operation of international relations, and philosophic ideas about human nature, power, justice, and the state.

Area of Emphasis: (18 units)

Required Core Course: (3 units)

POL SC 1, American and California Politics (3)

LIST A: Select 3 courses from the following: (9 units)

MATH 54, Elementary Statistics (4)

PHILOS 51, Political Philosophy (*same as* POL SC 51) (3)

POL SC 2, Comparative Government and Politics (3)

POL SC 7, International Politics (3)

POL SC 51, Political Philosophy (*same as* PHILOS 51) (3)

LIST B: Select 2 courses from the following: (6 units)

Any course from List A not used above:

- ECON 1, Principles of Microeconomics (3)
 - ECON 2, Principles of Macroeconomics (3)
 - ECON 5, International Political Economy: Introduction to Global Studies (3)
 - ENGL 2, Critical Analysis and Intermediate Composition (3)
