

LOCAL ASSOCIATE DEGREE GE REQUIREMENTS

LOCAL ASSOCIATE DEGREE GENERAL EDUCATION REQUIREMENTS

This pattern is for students who began at SMC in fall 2025 or later, or those who have not maintained catalog rights. See a counselor for details.

To earn an Associate degree from Santa Monica College, a student must complete a minimum of 60 semester units with a C (2.0) grade or higher to include: Major/area of emphasis and Global Citizenship and either SMC GE or Cal-GETC. Students intending to transfer to a 4-year institution should follow the Cal-GETC requirements. Consult a counselor for advice.

Students who earned a Bachelor's degree or higher from an Institutionally Accredited Institution (formerly known as Regional Accreditation) will have satisfied the local SMC Associate GE requirements. A copy of the transcript must be on file with SMC admissions and records.
